

Why Oculisse

Oculisse extends ocular wellness into periocular skincare, offering a targeted solution for visible signs of eye aging.

This multi-action smoothing eye renewal cream targets the appearance of existing wrinkles while minimizing the appearance of future fine lines and wrinkles.

Key Benefits

- Reduces the appearance of fine lines and wrinkles
- Helps diminish the look of dark circles and puffiness
- Hydrates and smooths delicate under-eye skin
- Promotes a brighter, more refreshed appearance

Key Ingredients

Thoughtfully selected ingredients that help smooth, hydrate, and refresh the delicate eye area.

Vitamin C
Brightens and helps improve skin tone while reducing the appearance of fine lines. Supports moisture retention and enhances antioxidant protection.[1,2,3]

Vitamin E
A powerful antioxidant that helps protect against free-radical damage and supports overall skin health.[4]

Acetyl Hexapeptide-8
Helps minimize the appearance of expression lines by reducing visible muscle contractions associated with wrinkle formation.[5]

Panthenol (Pro-Vitamin B5)
Helps soothe, hydrate, and support skin repair for a smoother, more resilient appearance.[6]
